CHILE

PAUL WALSH

Historian and Military Affairs in Europe, Asia, US, Latin America and Medieval Ireland.

Paul V. Walsh earned his Master Degree in Military and Diplomatic History from Temple University, Philadelphia in 1994. He has taught a wide variety of history courses at Rider University and Delaware County Community College, and currently works as an instructor with a number of adult education programmes. As an independent scholar, Mr Walsh has prepared papers at conferences and has articles and book reviews published in an assortment of academic and commercial publications.

IRELAND

JABER ALBALAWI

Petroleum Engineer, designer, tester of oil refineries, maintenance marine equipment. Avisual artist in drawing cartoons. Freelancer Graphic Designer.

Jaber Albalawi is a highly professional engineer who had studied petroleum engineering and involved in many oil and gas projects in Saudi Arabia. His study in chemistry laboratory at the university gave him experience in analytical techniques and research in testing new petroleum system requirements. Conversely, he is a visual artist specialised in drawing cartoons, using his talent to convert visual film images into beautiful art. In addition, he teaches technical illustration at infant schools.
