ALDO SAMPIERI

FREELANCE ART DIRECTION
BRAZIL

Born in Sao Paulo, Sampieri learned to paint where Brazil's wildly exotic rituals magnify the very hot, sexually charged air with colours, music, dance and multi-racial rhythms. An astute aware artist learns and psychically is forced to see objects as symbols of their essence to be sacrificed for higher invisible causes. This passion of life is the undercoating of Sampieri's work. From his school days in Brazil and Geneva Sampieri has always seen animals and people as sacred individuals on a journey to his own canvases. His shows in London, Madrid, New York, Gruyere Switzerland, Cologne and Sao Paulo were greatest artistic successes.
